

# Update

**AXiKit**  
**ACCIDENT**  
**REPORT APP**

**HMS**  
**INSURANCE**  
ASSOCIATES, INC.

## Your AxiKit App has been updated!

AxiKit 3.0 is ready for you in the app store.

### What's new?

- Works without an internet connection (except GPS and sending report)
- Easier voice recording controls
- Make multiple voice recordings for each topic, add more as needed
- Faster reports
- And more!

### How do I get the update?

**APPLE:** Install the new update in the App Store.

**ANDROID:** Install AxiKit version 3.0 in Google Play.

**PLEASE NOTE:** The first time you open your new update you'll be asked to enter both a user name and password. Use your current password for both.

For Assistance Contact Your HMS Representative
